

Sustainable Social Distancing

Ambius Room Dividers have been used for many years to divide spaces in a beautiful and green way while retaining as many square meters as possible. They can now be used in your premises to create a 1.5m space between your staff to help practice social distancing.

BIO Montage & Mini Room Divider

You can easily separate an office with the BioMontage Room Divider including different natural materials. The BioMontage Room Divider is available in 3 different sizes: 60 cm wide x 122 cm high, 122 cm wide x 122 cm high and 122 cm wide x 182 cm high. These room dividers can be used both single- and double sided

The 'Mini' Room Divider is ideal for dividing 'tight spaces and blocking passageways. The 'Mini' can be used both single- and double sided.
