

RAT RIDDANCE CONNECT

Rentokil's connected snap trap is innovative, developed and rigorously tested to meet the needs of businesses that require a non-toxic solution to protect their premises from rat activity.

Rentokil
The Experts in Pest Control

Setting a new standard of pest control, Rat Riddance Connect is enabled by advanced technology to protect your business from pest risks.

Rat Riddance Connect forms part of Rentokil's award winning PestConnect system, which also comprises of RADAR Connect and Dual AutoGate Connect, which bring a new level of value and protection to customers.

Enhanced Technology

The innovative snap trap provides control and monitoring of rats using a non toxic method.

Meets Regulatory Compliance

Ensures peace of mind for businesses who implement a zero tolerance policy towards pests.

Provides 24/7 Monitoring

Discreet 24/7 monitoring, minimising the risk associated with rats.

Instant Response

Rat Riddance Connect is able to send immediate notification of a rat capture, which ensures a quick response from Rentokil technicians. All service visits will then be visible through myRentokil.
