

myRentokil Compliance Courses

What is myLearning?

myLearning is our online learning portal, available via smartphone, PC or tablet any time, anywhere.

Features

The e-learning courses are SCORM compliant, meaning they can be paused by the user and picked up later at a more suitable time. By allowing them to work at their own pace so you can have the piece of mind that everybody receives adequate information.

Benefits

- ◇ Cost Reduction - Saves you money on training session, taking employees out of work to complete training for full days
- ◇ Man hour reduction-Training only takes as long as the learner needs
- ◇ Self printed certificates as evidence of course completion
- ◇ Staff can start training immediately
- ◇ Ensures you are compliant with legislation
- ◇ Anytime access via myLearning
